

Me who lied on my resume

My new employer who lied on the job description

Scientist: Explaining the importance of good sleep.

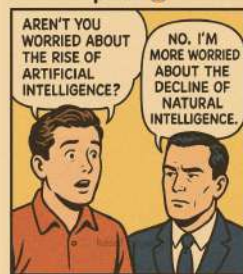

Me at 3am watching him explain:

Yesterday I wore something from 5 years ago and it fit! So proud of myself.

It was a pair of socks, But still. Let's be positive here.

POV: when common sense didn't get the software update

Japanese concept:

If one can do, you can do. If none can do, you must do.

My concept:

If one can do, let him do. If none can do, how can I do?

Since I started following the wisdom of ancient Chinese Philosopher Fuk Yu, my life has been so much better...

GYANDU

:(adj.) that one asshole who knows nothing, but still gives lectures on life.

Everybody got something to say, but nobody's paying my bills.
