An Apple iMac monitor is shown from a front-facing perspective. The screen displays a quote in a typewriter-style font on a light brown, textured background. The quote reads: "Never stop being a good person because of bad people." The monitor has a black bezel and a black stand with a white Apple logo in the center of the neck.

Never stop being a good  
person because of bad people.

Words may inspire,  
but only action  
creates change.
