

Be Like water, is my wishes for you,  
Dear Reader.

This Compilation is hand rolled, algorithm free  
and backed by Human Intelligence.

I feel immense gratitude to the countless  
sources, people and the wisdom of ages. Upon  
reading, you will experience the sense of Deja Vu  
and that's the beauty of great ideas.

I trust, regular readers will find it interesting  
and entertaining. And to the new readers, I hope  
it inspires you. As usual, proof read by my wife.

Happy Reading.
